Approved For Release 2002/09/04 CIA-RDP79R00890A000400040014-4

NSC BRIEFING

8 December 1954

OFFSHORE ISLANDS

- I. Island situation very quiet past 10 days-broken only by sporadic shelling of Ichiang (in north) and Quemoys.
 - A. Communists may have been waiting for clarification of US intentions or amplifying US comment on Taipei pact.
 - B. However, such alternating lulls and pressures common this year and heavy shelling, bombing may be renewed any time, in continuation harassment program.

- A. Commie subs probably not now operating outside Yellow Sea but--
- B. State of training of crews is sufficiently advanced to permit offensive operations, should Chinese Communists so decide.
